## ***Welcome to HiFlight R/C!***

First, I would like to personally thank you for your interest in becoming a HiFlight R/C dealer. By completing and returning the attached Dealer Application Form to us, you are taking the first step toward harnessing the advantages of buying from Canada's largest radio control distributor.

As part of our service to you, we currently offer four ways for you to place orders. These four ways are explained in the dealer section of our web site ([www.hiflightrc.com](http://www.hiflightrc.com).) Using our HiFlight Online and HiFlight Offline systems for dealers, we have made it easy for you to place electronic orders with us twenty-four hours a day. As part of these systems, you have the ability to directly hold items in our warehouse prior to us shipping it to you. This makes it easy for you to confirm to your customer that the product will be shipped with your next HiFlight order.

Your Dealer Application requires approval, which generally takes 2-3 business days. Once approved, you will receive notification by email and further pertinent instructions and you will have access to all the resources we have made available to dealers.

We realize that in today's fast-paced business world, you probably don't have time to spare. For that reason, we are continually looking to improve our services. If you have any ideas to make working with us faster or easier, please let us know.

Once again, thank you for taking the time to complete your application. We look forward to a long-term, mutually beneficial business relationship.

Sincerely,

Doug Currie  
President  
HiFlight R/C Ltd.

## ***Terms & Conditions for HiFlight dealers***

HiFlight R/C would like to thank you for taking the time to apply for dealer status with us. Placing an order with us indicates you agree to abide by the following terms and conditions.

### **DEALER ELIGIBILITY**

To qualify as a HiFlight dealer, you be a retail outlet operating for a minimum of 40 hours per week and you must provide proof of your retail location. The only exception we will consider to these requirements are if you are remotely located. For purposes of eligibility, we consider a "remotely located" location to be more than two hours driving distance from any other HiFlight dealer or major centre.

### **PAYMENT**

A 5% discount will automatically be applied to credit card or C.O.D. shipments at the ship of shipping.

### **OVERDUE ACCOUNTS**

Regrettably, any account with a balance in arrears by 30 days or more will have access to all HiFlight Online and HiFlight Offline services suspended until the account is current. Any open accounts that has exceeded the available credit limit will also result in account suspension.

### **SHIPPING**

All orders will be shipped by courier unless otherwise specified. If your shipment qualifies for free freight, we reserve the right to choose the courier service.

### **C.O.D.**

All C.O.D. orders, regardless of the amount, will bear C.O.D. charges.

### **MINIMUM PURCHASE**

We require a minimum first-time purchase of \$2500 for all new accounts that do not have any other existing major distributor accounts. (Namely, brand new stores.) After this first-time purchase, there is no minimum order size. Customers with existing accounts with other major distributors require no minimum order.

### **QUICK PAYMENT DISCOUNT**

Invoices are clearly marked with both Quick Pay and regular dollar totals. To qualify for a Quick Pay discount, you must pay by credit card or payment must be post-marked within 10 days of the invoice date.

### **SALES & PROMOTIONS**

We continuously offer our dealers special programs and sales promotions. Please inquire on how to become part of these programs and promotions.
